*Note: Adjustments for fall-to-spring retention rates may differ from the adjustments for fall-to-fall retention rates even though the same NCES criteria are used in both instances. It may be that students were here for their second semester (spring) but left (because of one of the previously noted reasons) after their second semester. In those cases, the students would not be adjusted out of the original cohort for the fall-to-spring retention rate.

Table 16.E. Capital University - Professional Examination Passage Rates

Professional Examination Passage Rates. These tables highlight the passage rates for Capital University's programs that have a professional licensure examination. These rates are for those students who are taking their particular examination for the first time. Repeat test takers are not included in these tables. These rates represent a snapshot as of the end of the year in which the test takers graduated from Capital; the tables are updated at the conclusion of that particular academic year.

Table 16.F. Trinity Lutheran Seminary Statement of Educational Effectiveness

Trinity Lutheran Seminary at Capital University, a seminary of the Evangelical Lutheran Church in America, offers the following degrees as part of its mission to form leaders for Christ's church at work in the world:

- Master of Divinity (M.Div.)
- Master of Arts in Youth and Family Ministry (MAYFM)
- Master of Theological Studies (MTS)
- Master of Sacred Theology (STM)

Year by year as a key marker of its educational effectiveness the seminary tracks how many of its graduates are in vocational placements (positions for which their degree programs prepared them) or are pursuing further study. Some students pursue a degree for personal enrichment rather than vocational preparation; such students who are in placements after graduation that reflect their vocational choices are also tracked.

As of December 31 2020, Trinity graduates from the Class of 2020 were situated as follows:

M.Div. – Nine of the ten Master of Divinity graduates were in vocational placements, and one was seeking placement. Effectiveness Rate: 90%

MAYFM – There were no graduates in the Master of Arts in Youth and Family Ministry program.

MTS – One of the two graduates was pursuing further study. The other graduate's placement is unknown. Effectiveness Rate: 50%

STM – The one graduate in the Master of Sacred Theology program is in a vocational placement. Effectiveness Rate: 100%

As of 2018, admissions for Trinity's Master of Arts in Church Music (MACM) and Doctor of Ministry (D.Min.) programs have been suspended, although previously enrolled students are still completing their studies.

MACM – The one graduate in the MACM program is in a vocational placement related to music ministry. Effectiveness Rate: 100%

D.Min. – Three of three graduates in the Doctor of Ministry program are in vocational placements related to ministry. Effectiveness Rate: 100%

Altogether, of the 17 students who graduated from Trinity in 2020, 15 were in vocational employment for which their degrees prepared them. Effectiveness Rate: 88%

***Title IV aid to students includes grant aid, work study aid, and loan aid. For Title IV recipients, net price is reported by income category and includes students who received federal aid even if none of that aid was provided in the form of grants.
