\* Students are encouraged to apply as early as possible to allow enough time to process the admission, financial aid and other paperwork required before classes begin. Students who begin the process earlier will have a wider selection of courses to choose from when registering and will be housed in the order the deposits are received.

\*\* Residence Life will accept applications after this date as long as housing is still available. Late applicants may not get housing assignments until after the holiday break in early January. Submit forms no later than January 4, 2010.

  
 Ask. Think. Lead.
