Entry:

To be eligible for the Capital University Honors Program you must have either an ACT of 26, an SAT of 1170 (from the math and critical reading sections), or a GPA of 3.5 from full time study at Capital University.

Early registration

To be eligible for early registration and the other advantages of the Honors Program, students must maintain active status.

- a. Maintain a GPA of 3.2
- b. Take one honors course per school year
- c. Attend one Honors Program event per semester

Completing the Honors Program

The requirements for completing the Honors Program are as follows: A minimum of four honors experiences (either through the honors seminars, honors sections of general education courses, or departmental courses that are designated as Honors) plus HONS 310 and HONS 410. HONS 310 is a junior-level seminar that prepares students for HONS 410, the senior-level capstone experience, in which students conduct scholarship on a topic of their choice. Students may be able to fulfill part of the Honors Program requirements through study abroad experiences. Applications to allow the use of a study abroad experience for honors credit can be obtained from the Honors Program Director.

Required attachments (one of the following):

1. Documentation of ACT/SAT scores
2. Documentation of GPA at Capital University (An unofficial transcript is suggested.)

Please return this form to Dr. Baker, Honors Program Director, Capital University, 1 College and Main, Columbus, OH 43209- 2394, or bring it to the Honors House during posted office hours.
