

You need to visit the registration setup site from a computer that is already on the SafeConnect network by visiting the following URL: <u>https://safeconnect.capital.edu:9443/enroll</u>

Do not login yet, now you may follow the instructions below on your Switch.

1. Open System Settings

2. Internet > Internet Settings

Screen Brightness		
Screen Lock	Internet Settings	
	Connection Status	Not Connected
Parental Controls	System MAC Address	
Internet		
Data Management		
Users		
Mii		
amiibo		
		🛚 Back 🛛 A O

3. Connect to the Capital-Registered SSID – the password is cap4you2

Internet S	ettings		
	ASUS_5G	Ļ	
	ATT4400	Î	
	Jack's iPhone	Ģ	
	Capital-Registered	F	
	Dnet	ç	
	Wired Connection		
	Networks Found		
: :		Y Search Again B	Back 🔺 OK

4. Now (with your computer) log into the <u>registration website</u> with your Capital credentials and complete the form. You will need to enter the MAC address of your switch, which can be found here in the **Internet settings** initial page (mine is blurred out)

₹	🕻 System Settings		
	Screen Brightness		
	Screen Lock	Internet Settings	
	Parental Controls	Connection Status System MAC Address	Not Connected
	Internet		

Once you complete the form, **press the Enroll Button** and that will then allow the MAC address you entered to have access on the Network!
