Fieldwork Recommended Grade

Use this form to assign your recommended grade for the student’s fieldwork. Do this for both fall and spring semesters. You can use the SWEAP scores that you have filled out online to aid your decision, and/or other tools, including the Learning Contract (LC).

Semester (circle one): FALL SPRING

Student Name: __________________________________________________________

Seminar/Liaison Instructor name: __________________________________________

Your name: ____________________________________________________________

Date_______________________

Narrative comments on student’s performance:

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
