

## Connecting Your iPhone or iPad to the WiFi

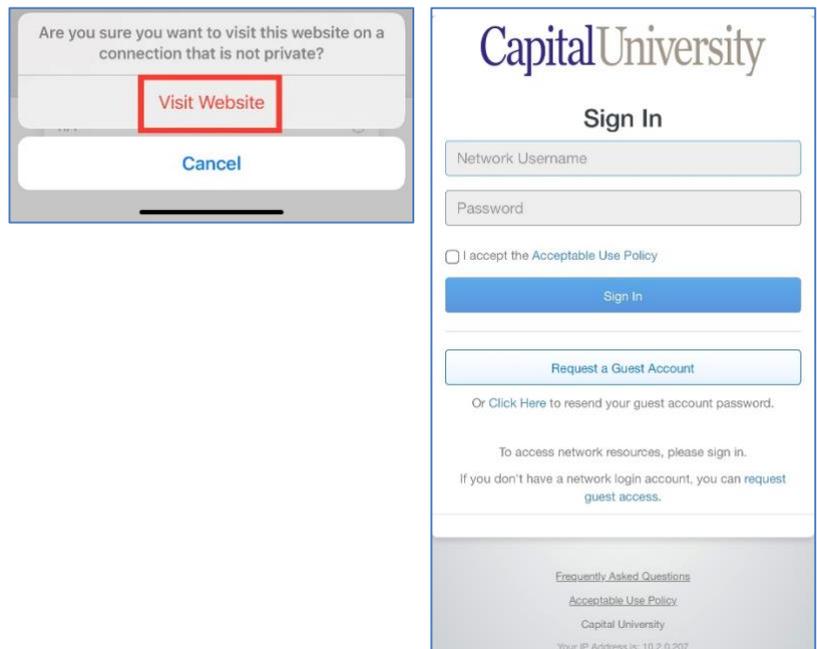

- Open the **Settings** app
  - Select **Wi-Fi**
  - Tap to join **Capital-GetConnected**
  - You will see you are connected to “Capital-GetConnected”
    - It is normal to see “No Internet” or “Unsecured Network”

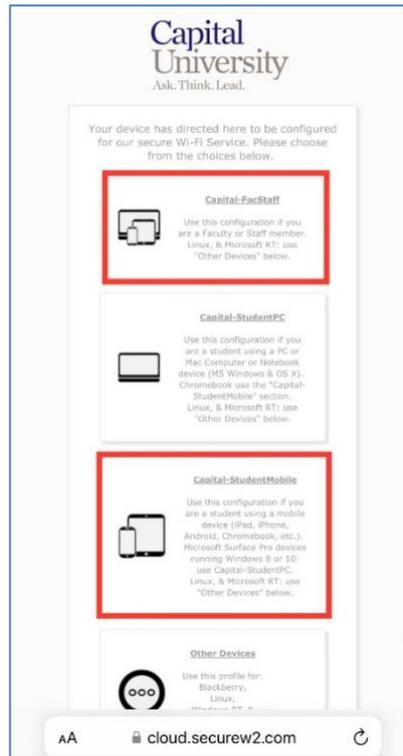

- Open **Safari**
    - NOT Google Chrome or other browser**
  - Enter **wifi.capital.edu** into the URL bar and hit enter
  - If you see “This Connection Is Not Private” page tap **Show Details**
  - Tap **visit this website**

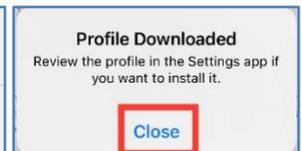

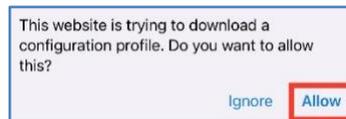

- Tap **Visit Website** to continue
  - Enter your Capital **username and password**
    - Username is first part of email, without @capital.edu or @law.capital.edu
    - Password same as email, etc.
  - Check the box** to accept the acceptable use policy
  - Tap **sign in**

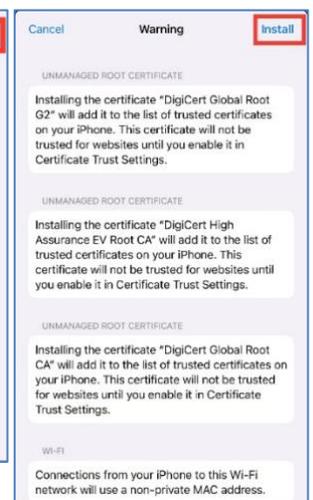

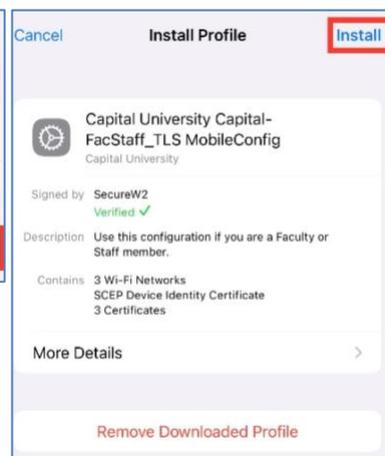

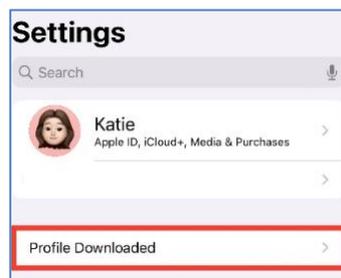

- 4) ○ Select the appropriate network
- Students: **Capital-StudentMobile**
  - Faculty/Staff: **Capital-FacStaff**
  - Enter your **username and password** (same as above)
  - Tap **JoinNow**

- 5) ○ Tap **Allow** to install the configuration profile
- If prompted, select to install on **iPhone or iPad**
  - When the download completes tap **Close**

- 6) ○ Open **Settings** and return to the main page.
- Tap **Profile Downloaded**
  - Tap **Install**
  - Enter device **passcode**
  - Tap **Install** again

- ✓ You are now connected! Verify you are on either the Capital-StudentMobile or Capital-FacStaff network and test your connection.
