Show Your Capital Pride. Buy Your Brick Today.

As a friend of Capital University, you are invited to celebrate the closure of Mound Street and make your mark on the Plaza.

You can choose a message to be engraved on one of the three sizes of pavers that will be placed on The Plaza at Mound Street. Choose to engrave your name and graduation year, the day you married your Capital sweetheart or the day your child – a future Crusader – was born.

If you would like to be part of The Plaza at Mound Street and would prefer to pursue a special opportunity, for \$10,000 you can choose to engrave a plaque marking one of 10 benches that will grace the Plaza. Availability for benches is limited and requests will be honored as they are received.

Even though it took decades to close Mound Street, you won't have that long to buy your brick. You must place your order by June 1.
