Last Name	First Name	Student ID	Email Address

The U.S. Department of Education has flagged your FAFSA application for “Unusual Enrollment History” review because you have received Federal Pell Grant and/or student Direct Loan funding at multiple schools during the past four years. This flag requires the student to submit an Unusual Enrollment History Appeal to the Capital University Financial Aid Office, listing whether you earned credits during the terms you received Federal Pell Grant and/or Student Direct Loan funding, or by explaining why you did not earn any credits during the term(s) you received Federal funding. Any future Federal financial aid you will receive is dependent on an approved appeal through this appeals process.
