

You need to visit the registration setup site from a computer that is already on the SafeConnect network by visiting the following URL: <u>https://safeconnect.capital.edu:9443/enroll</u>

Do not login yet, now you may follow the instructions below on your PS5

1. Open Settings

2. Network

3. Set up Internet connection

Network			
Connection Status	Connect to the Internet		
Settings	Set Up Internet Connection		

4. Connect to the **Capital-Registered** SSID – the password is **cap4you2** (press OK if you see any pop up windows about registration)

5. Now (with your computer) log into the <u>registration website</u> with your Capital credentials and complete the form. You will need to enter the MAC address of your PS5, which can be found in **View Connection Status**

View Conr	nection Status
