Membership Sign-Up Instructions: CAPITAL UNIVERSITY STUDENTS AND STAFF \$65 ANNUAL MEMBERSHIP

Welcome to CoGo Bike Share!

Transportation can be tough...but CoGo makes it easy! Get to your favorite lunch spot, run your mid-day errands, and even helps reduce your stress. CoGo is also great during the weekend when you want to enjoy the city and not worry about parking. In support of biking and wellness, your school has taken a great and innovative step to help their students and staff get around the city in an active, green and affordable way!

CoGo currently has 70+ stations with 600+ bikes, available to you 24/7 in Columbus, Bexley, Grandview Heights, Upper Arlington, and Easton. You will have access to the entire fleet of bikes and can take one from any station across the city to travel from Point A to Point B. Take out a new bike as many times as you'd like!—the first 30 minutes of every ride are included in the cost of the membership and the timer is reset once you dock the bike. Additional costs are added after the first 30 minutes (\$3 per every 30 mins).
