

Wi-Fi Connectivity (MAC/iOS)

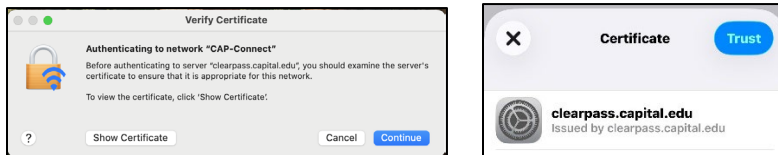

1. Go to your wireless menu (MAC) or Settings menu (iOS) on your device and select **CAP-Connect**:

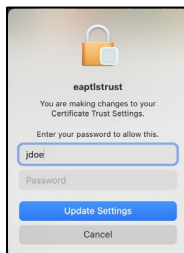

2. Enter your **Capital username** (everything before the @ in your email), and your **Capital password** (Same as MyCap, Canvas, and Email). Select the blue check button on the upper-right of window.

3. You will be prompted to trust the certificate. Select **Continue** (MAC) or **Trust** (iOS).

4. You will be prompted to enter your Mac password (MAC devices only).

5. Your computer will connect to the CAP-Connect Wi-Fi
