

MASTER OF BUSINESS ADMINISTRATION

ACCELERATE YOUR CAREER.

Capital University is the longest-running evening MBA program in Central-Ohio, and we have re-imagined our approach to meet the needs of today's professionals and recent graduates. Our hybrid MBA program offers 7-week courses designed for flexibility, allowing you to balance your education with work and life. With the option to complete the program in just one year, you'll gain in-demand business skills, develop strategic insights, and expand your professional network – all while earning a degree from one of Ohio's most respected private universities.

At Capital, you're not just a number to us. Your success is our success. That's the distinction of a Capital MBA. Students who enroll in Capital's MBA program will be able to:

- Develop and exhibit a strategic level understanding of the major areas of business: Managerial Accounting, Finance, Marketing, Organizational Behavior, Economics, and Strategy
- Integrate, and synthesize information from the major areas of business to show the interrelatedness of the functions in a particular business situation.
- Employ financial and other decision models to produce alternate solutions to a particular business problem.
- Select and defend the appropriate strategic path needed to solve business problems.
- Create and deliver logically constructed oral and written arguments for a business setting
- Analyze data and information from different points of reference (e.g. cultural, technological, and political).
- Articulate and challenge a tradition, assumption, or prevailing business practice by raising and examining relevant ethical perspectives through a paper or project.
- Participate and effectively contribute to team-based projects, exhibiting appropriate leadership and followership techniques in complex and dynamic projects.
