# Unity in Diversity

"Life's persistent and most urgent question is, 'What are you doing for others?' — Dr. Martin Luther King Jr."

In December, the season of love and giving, the Office of Diversity and Inclusion, in partnership with the Capital University community, invites you to join us in celebrating the rich traditions, faiths, and values that make our campus and broader community so unique. This month, before the semester ends, we will come together in fellowship to recognize and honor the diversity that strengthens us all.

We warmly invite Capital alumni, friends, family, and community partners to be part of this celebration.

As we approach final exams, we also encourage our students to study diligently and finish the semester strong. This is your opportunity to show all the hardwork you have put into this semester. Trust your process of preparation. Be sure to prioritize rest and remember you are capable of achieving great things!
