

COST OF ATTENDANCE 2023 – 2024

Capital University Office of Financial Aid provides an estimate of the Cost of Attendance (COA) for full-time enrollment for an academic year (two consecutive semesters). The Cost of Attendance is an estimated average of expenses which may include:

- Tuition and Fees
- Books, Supplies and Equipment
- Housing and Food
- Transportation
- Personal Expenses
- Federal Student Loan Fees

The Cost of Attendance is not the billable cost a student may incur, as your own personal spending choices and number of courses you take each semester will vary. Please visit [Tuition and Fees](#) and [On Campus Housing](#) for actual costs.
