Ohio Educator Preparation Provider Performance Report
Capital University

Field and Clinical Experiences for Candidates at Capital University

Reporting period from September 1, 2023 to August 31, 2024.

(Data Source: Capital University)

Description of Data:

Ohio requires that educator candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as "student teaching." The specific requirements beyond the requisite statewide minimums for these placements vary by institution and by program. The information below is calculated based on data reported by Ohio Educator Preparation Providers.

Teacher Preparation Programs	
Field/Clinical Experience Element	Requirements
Require edTPA National Scoring from candidates in teacher preparation programs at the institution	N
Minimum number of field/clinical hours required of candidates in teacher preparation programs at the institution	110
Maximum number of field/clinical hours required of candidates in teacher preparation programs at the institution	350
Average number of weeks required to teach full-time within the student teaching experience at the institution	15
Percentage of teacher candidates who satisfactorily completed student teaching	100%

Principal Preparation Programs	
Field/Clinical Experience Element	Requirements
Total number of field/clinical weeks required of principal candidates in internship	N/A
