*Based on self-report for those seeking a degree related degree – does not account for all graduates as of 12/23/2024. Students who choose not to see employment for various reasons (e.g. continuing in a graduate/doctorate program, opting into a different vocation/discipline) are not counted in placement numbers. Data is gathered on a rolling basis for recent graduates as they continue to take their licensure tests and job searching. To date, all but one the students who have completed the Ohio licensure exam have passed on their first attempt. To date, 12/16 CMHC graduates have secured job placement with one persisting to a doctoral program.
