

Healthcare Professional Disability Verification and Accommodation Recommendation Form

Capital University welcomes individuals with disabilities. To ensure access, and in accordance with Title III of the Americans with Disabilities Act of 1990 (ADA), ADA Amendments Act of 2008 (ADAAA), and Section 504 of the Rehabilitation Act of 1973, Capital University provides reasonable accommodations and support services to qualified individuals with disabilities.

Documentation should be provided by a licensed healthcare professional whose scope of practice permits the diagnosis of a qualified disability and whose professional relationship with the individual is sufficiently recent to reflect current impairment. The healthcare professional may include pertinent records that help convey the impact of the disability on the individual in the university setting. The healthcare professional may provide the following information by completing this form or by preparing a letter that conveys equivalent information.

Patient's Name: _____

Patient's Birthdate: _____

1. Describe the nature of the professional relationship with the individual (e.g., treating physician, physician, psychologist, clinical counselor, independent expert evaluator), and list the date of the most recent examination.

Please include any pertinent records that may assist Accessibility Services in identifying and implementing appropriate accommodations as an enclosure or attachment.
