GET TO KNOW MORE ABOUT HALIMA:

- **Why do you want to be a mentor?:**
  Halima wants to be a mentor because she knows the feeling of apprehension and anxiety our incoming first-year/transfer students will most likely feel when entering this new environment. She wants to help them understand that they are not alone in this; everyone goes through this same process. She wants to be a source of support and comfort for them!

- **Long-Term Career Goal?:**
  Her long-term career goal is to work with an NGO which focuses on helping IDPs and refugees! She would like to also work on getting her MBA!

- **Favorite memory at Capital?:**
  Halima's favorite memory at Capital would definitely be the movie nights in the basement of SA with her friends!
