It’s time we made this official. You are now, officially, a part of the fam, the #CapFam. Our family is made up of thousands of students, past and present, who just like you call Capital “home.” In the pages that follow, we will help you find YOUR community within the fam. Read for more information about joining our residential or commuter communities.
Hello First Year Students!

We are incredibly excited to welcome you to our Capital residential life community. Living on campus is an important part of the college experience. This document was created to provide you with all of the important information you need as you navigate the transition to life on campus!

As a first-year student, you will live in one of two residence halls: Schaaf Hall or Lohman Complex. You will also have an opportunity to live in one of our first-year themed living communities, providing students a unique opportunity to connect with peers who share similar interests in their living environment (more information is available later in this document).

Our professional staff, as well as over 30 Resident Assistants are excited to welcome you to campus this fall! We’ll be sending lots of information your way over the coming months. Please read it carefully and make sure to ask questions as you have them. You can reach out to us at residenclife@capital.edu.

Welcome to the #CapFam!

Jon Geyer
Director of Residential & Commuter Life
Your Next Steps

**STEP 1 (FOR RESIDENTS)**

**PLANNING TO LIVE ON CAMPUS? START HERE!**

Residency is required for Capital University students, and research shows students who live on complete more credit hours, have higher grade point averages, are more likely to graduate, and have higher satisfaction in college. To start the process of becoming a residential student, **Apply for Housing here** (for step-by-step instructions, click here). You also might want to check out these informational pages:

- Related information: see Housing Intent Deadlines on page 6, learn about Residential Living starting on page 7, view Housing Options on pages 9-10.

DONE WITH THIS STEP? GO TO STEP 2!

**STEP 1 (FOR COMMUTERS)**

**PLANNING TO COMMUTE? START HERE!**

See the Residency Policy on page 5 to see if you qualify for a housing release. If you meet the requirements to live off campus, and wish to do so, you must complete your Housing Intent form here (for step-by-step instructions, click here), and also must complete a Housing Release Request. To complete your Housing Release Request, click here (for step-by-step instructions, click here).

DONE WITH THIS STEP? YOU'RE FINISHED! GO TO THE NEXT PAGE!

**STEP 2**

**FIND YOUR FUTURE ROOMMATE**

Need to be matched with a roommate? Housing Application includes inventory questions about you, your habits, routines, likes and dislikes. A matching algorithm will then select for you the available first-year roommate that you are most compatible with! Do you want to live with a friend, or friends, instead of matching with another student? You can do that by creating roommate groups! See our step-by-step guide on page 19.

DONE WITH THIS STEP? GO TO STEP 3!

**STEP 3**

**PAY YOUR ENROLLMENT DEPOSIT**

An Enrollment Deposit is required to officially reserve your place in Capital’s incoming class. You can submit your enrollment deposit through your accepted student page or deposit checks can be made payable to Capital University and mailed to Capital University, Admission Office, 1 College and Main, Columbus, OH 43209–2394. Deposits for Fall 2021 received prior to the May 1 deadline are fully refundable by written request until May 1, 2021.

DONE WITH THIS STEP? GO TO STEP 4!!

**STEP 4**

**WAIT FOR YOUR ASSIGNMENT & GET READY!**

Residential & Commuter Life will disperse assignments in early July (see Housing Intent Deadlines on page 6). Until then here’s some ways to get ready:

- Get connected! Add @caprestyle on Instagram, Twitter, or Facebook to see our summer engagement opportunities! We will have virtual programs and events all summer long to connect you with other first years!
- Get packing! Learn about renting from www.bedloft.com on page 21, and see our What to Bring quick reference on page 26!

Residency Requirement

Residency at Capital University isn’t just living on campus, it’s about living connected. Our dynamic team of professional level Area Directors and undergraduate peer leaders (Resident Assistants and Community Assistants) act as your "experts-in-residence," trained to guide and assist you as you navigate student life. Our work is guided through our evidence-based Residential Curriculum, which serves as the blueprint for a common residential experience. In each community peer leaders enact this curriculum to educate, engage, and establish you within the #CapFam during your residency.

Residency is an integral part of your education as a Capital University student. Therefore, students who are enrolled in full-time, undergraduate courses are required to maintain residency, living in university residence halls, apartments, or houses for the duration of enrollment as an undergraduate.

Students are responsible for becoming familiar with the policies and procedures outlined in the Capital University Student Handbook. For residency purposes, a commuter is defined as any student who has an approved release from the housing requirement, per the criteria listed here. A resident is defined as any student who is or will be living in the Capital University residence halls, apartments, or houses.

Capital University recognizes that some students may live within the area or have other circumstances that may make them eligible to apply to reside off-campus.

Requirement for Housing Release Requests

The following list contains the eligibility requirements for a Housing Release Request:

- Must be 22 or older
- Must have 60 credit hours by the start of the next semester
- Must be married (marriage certificate required)
- Must live with parents/court appointed guardians in permanent residency within 30 miles of the campus (verified by the Office of Admissions/Registrar)
- Must have Special Accommodations
- Must have Diagnosis of an ongoing health-related issue requiring special living accommodations that University housing cannot reasonably provide (supporting documentation and registration with the Office of Disability Services required)
- Must have extenuating circumstances
- Must have change in financial status which demonstrates a hardship if the student is required to live on campus (verified by the Office of Financial Aid)

Questions?
Email residencelife@capital.edu, or call (614) 236-6811.
PRIORITY DEADLINE FOR THEMED LIVING

If you are interested in living in one of our First-Year Themed Living Communities, please complete your housing application by May 1. Space is limited and will be filled on a first come, first served basis. Students placed in these communities will also be notified of placement during their summer orientation session.

EARLY BIRD DEADLINE

Completing your housing application by this deadline will allow us to distribute your housing assignment to you during your summer orientation session. When you complete by this date, we will guarantee preferred roommate assignments, as long as the preference is mutual. After the deadline, we will do our best to meet your requests, but cannot always guarantee roommate placement, depending on occupancy.

PRIORITY DEADLINE

Completing your housing application by this deadline ensures that we will have your housing assignment ready to go when assignments are dispersed in early July.

HOUSING RELEASE REQUEST

Students who plan to commute must complete the Housing Release Request. As a reminder, all commuters must meet eligibility requirements, which can be found in our residency policy on page 5.
With the support of our full-time professional Area Directors, and extensively trained peer leaders (better known as RA’s) first year students from across the state, country, and world who live on campus become part of a vibrant living and learning community in one of our traditional residence halls. Read on to learn more and find your fit within our residential community offerings, which include: Lohman Complex, Schaaf Hall, Themed Living Communities, and our Gender Inclusive Housing community.
Lohman Complex houses first-year and upper-class students. While the majority of rooms are double occupancy, Lohman also offers triple and quad occupancy styles, with community bathrooms and shower facilities on each floor.

All residence hall rooms come fully furnished. Click here to view a list of items you can bring. Each floor has a community space, a microwave and wireless internet access.

The ground level features a large furnished and air conditioned community room and houses our Commuter Student Lounge. Several student organizations have rooms on the ground level.

Individual rooms have wireless internet access and data ports that include Ethernet. There are coin-free washers and dryers located on the ground level and a computer area with community printer.

Choosing to live in one of Capital’s Themed Living Communities (TLCs) means your roommate (and hall-mates) will be from the same/similar majors OR a shared interest area.

In addition, each TLC will be connected with a Community Coach: a member of the University’s faculty or staff. The Community Coach will work with RAs and upperclass students living in Themed Living Communities in University Housing.

Within the themed living communities, community members will engage through targeted programming from their Resident Assistant, and will have increased access to academic and student success initiatives.

Our 2021-22 Communities:

Inclusive & Accessible Housing

Gender Inclusive Housing

Residential & Commuter Life aims to help students live connected academically and socially in our diverse communities. Residential and Commuter Life affirms that one’s dignity and uniqueness should be recognized and respected regardless of distinctions in identity. One of the ways we achieve this goal is by offering a wide range of on-campus housing options, such as Gender Inclusive Housing.

Gender-inclusive housing consists of rooms where students can live with any student – regardless of sex, gender, gender identity or expression. Bathroom facilities in Gender Inclusive Housing are designated “All Gender.”

The Capital University Gender Inclusive Housing community is located in Cotterman Hall. This community offers options including single rooms, same-gender roommates, opposite-gender roommates, or other gender-identity pairings.

Students interested in Gender Inclusive Housing may indicate this preference when completing their Housing application.

For more information on Gender Inclusive Housing, contact Residential Life:
- residencelife@capital.edu  |  614.236.6811 (voice)

Accessible Housing

Capital University welcomes individuals with disabilities to be an integral part of the university community. To ensure access to participate in our programs, and in accordance with Title III of the Americans with Disabilities Act of 1990 (ADA), ADA Amendments Act of 2008 (ADAAA), and Section 504 of the Rehabilitation Act of 1973, Capital University provides reasonable accommodations and support services to qualified individuals with disabilities. The Office of Accessibility Services (OAS) provides individualized services for students, faculty/staff, and other community members with disability related needs. Service areas include admissions, academics, housing, employment, facilities accessibility, and social/personal issues related to disability. Individuals with disabilities who wish to receive services from OAS are responsible for disclosing their disability to OAS and should complete the registration process at least 6 weeks prior to the desired start date for most services.

Registration Steps
- Submit Accommodation Request form
- Submit Certificate of Professional Authority form or equivalent diagnostic documentation
- Schedule an appointment to meet with a member of the Accessibility Services Team

For more information on Accessible Housing, contact Accessibility Services:
- accessibilityservices@capital.edu  |  614.236.6611 (voice)

ETHAN SHECK
SENIOR RESIDENT ASSISTANT

Hey Ethan, what is the best part of living on campus?
I believe that the best part of living in campus is that every moment that you're on campus is an opportunity to make new friends, build your own home away from home with your favorite people, and try new things together!

KOKILA VARADARAJAN
SENIOR RESIDENT ASSISTANT

Hey Kokila, what is does it mean to "live in a community"?
Living in a community at Capital University helps you meet and build bonds with people of diverse backgrounds and goals. With your friends, you can grab a late night snack at One Main Cafe or cram together for finals at the library!

SARAH GRIFFIN
RESIDENT ASSISTANT

Hey Sarah, what is CapFam?
“CapFam” isn’t necessarily all of Capital University. CapFam is something that interest you within Capital University; CapFam is what keeps you grounded. For example, my nursing peers are my CapFam. Finding your group, major, hobby, activity, or sport is finding your CapFam.

BRANDON KARL
RESIDENT ASSISTANT

Hey Brandon, what advise do you have for first years?
Come prepared, but also, be optimistic. If you're coming from far away, obviously bring all the necessities, but you may stop at target or thrift stores and spice up your room as you settle in. I also recommend a plant, or twelve. (Side note: I have 30 small plants).
Residential Curriculum

Living in community at Capital University is more than just living on campus! Our first year students live connected to resources, education, each other, and opportunities to engage in vibrant communities. Read on to see how we educate and engage our students using our Residential Curriculum!

COMMUNITY MEETINGS
Community meetings are the foundation upon which your community is built. At the beginning each semester residents of each community on campus join their RA to build fellowship, establish expectations, and learn important information.

CAP CHATS
CapChats are the way we get to know and build relationships with each residential student. These 15-30 minute structured conversations with your RA happen twice a semester, and aim to help your RA get to know you so they can help you live connected with the people, resources, activities, and information you need to thrive!

RESIDENTIAL EDUCATION
Learning doesn’t stop when you leave your classroom at Capital University. Just like each of your courses, your time in residence is guided by a set of learning outcomes tied to Capital Universities Signature Learning Outcomes. Residential Education provides each student with the information, tools, resources to be healthy, safe, and successful.

COMMUNITY ENGAGEMENT
Our Resident Assistant staff are trained experts in fun! Each month your RA will offer you an opportunity to engage with your floor section, hall, and campus community. Our staff strives to build strategies to engage residents based on the interests of the members of the community, with the goal of helping each resident find their place in the CapFam!
Have a friend who is also coming to Capital that you want to room with? Or maybe you met another new student via social media, on a tour, or in orientation and want to room together. Whatever the reason, creating one (or many) “Roommate Groups” gives you a way to preference living with someone you personally select. Read on for step-by-step instructions on how to create a roommate group prior to receiving your housing assignment.
Live With: A Guide to Roommate Groups

Students will need to create roommate groups in advance of the selection process. This will confirm that all members have completed their housing application and are eligible for selection.

Students can create/be a part of as many roommate groups as they would like. We encourage that a roommate group be set up for Option 1, Option 2, Option 3, etc.

Below are detailed instructions for setting up these groups. Please note the following: only students with completed applications can create or be added to roommate groups. We encourage students to setup multiple roommate groups, and have backup plans.

STEP ONE: LOGIN - FIND TAB

- LOGIN TO YOUR HOUSING DASHBOARD HERE. AFTER LOGIN, CLICK “ROOMMATE GROUPS” ON THE LEFT.
Live With: A Guide to Roommate Groups

**STEP TWO: CREATE GROUP**

- Click create new roommate group

**STEP THREE: NAME THE GROUP**

- Create a name for your group (the name of your group does not matter)
Live With: A Guide to Roommate Groups

**STEP FOUR: ADD ROOMMATES**

- Enter the capital email address of each roommate you are adding to your group. Please note, only students with a completed application can be added.

**STEP FIVE: SAVE GROUP**

- Save your group (you can come back and edit at any time!)
Residence Halls are unique spaces that help you ease the transition from life at home to life on your own. In this unique living and learning environment you may find the need for furniture or appliances that you might not need again after your time in college. When you do buy, the hassle of moving and storing items over the summer can become a costly hassle. That's why we've partnered with bedloft.com to provide you with quality bedloft, microwave/mini fridge combo unites, and futons for rent at a low-price during your residency on campus. The best part? Everything is delivered and set up the day you move-in, and picked up for you after you move out!
Capital University partners with BedLoft.com to provide loft and microwave/mini-fridge combination unit rentals. Students that wish to loft their bed must rent a loft from BedLoft.com. The microwave/mini-fridge combination unit is the only approved way for students to have a microwave in their room. Please note, the microwave/mini-fridge combination unit is not supported in Lohman Complex.

Read on for the step-by-step guide to renting from bedloft.com.

**STEP 1:**

Visit: www.bedloft.com

Choose: "OHIO," as your state.

Choose "CAPITAL UNIVERSITY," as your school

Choose "2021-2022 (Full Academic Year)" as the rental period.

**STEP 2:**

Select your hall from the dropdown, enter your room number, then hit go.

Because room assignment information may not be available to you prior to order, our system will allow you to proceed with your order by selecting Hall and entering "0" for your Room Number. Please be sure that the address and student ID information you provide is accurate. We ask that you account with hall and room number information once you receive this because this will help us verify your room assignment prior to delivery.
Live Outfitted: Rent Lofts & Fridges

STEP 3:
Select the equipment you would like to rent or buy! Follow instructions to make an account, enter payment info, and confirm your order.

- Lofts are available to rent in Schaaf, Lohman, Saylor-Ackermann, and Cotterman halls
- Microwave/mini-fridge combo units are available to rent for Schaaf, Saylor-Ackermann, and Cotterman (not Lohman)
- Orders placed by July 31, 2021 will be installed in residence hall rooms in advance of move-in. First year placements will be sent out the first half of July, giving students 2-3 weeks to finalize rentals before the deadline.

STEP 4:
You can cancel orders prior to move-in and return equipment by navigating to BedLoft.com and clicking “Need Help? Click here for support.” Students will be prompted to log into their accounts and complete a service ticket. Cancellation and early return policies are outlined in the “FAQ” section of this guide.
LIVE INFORMED.

With 35 years of combined experience working in Residential Life, our professional staff knows you have questions--and we're prepared with all the answers. Do I have to live on campus?
All students are required to live on campus unless you meet one of the following criteria:
• Live with parent(s) or guardian(s) within 30 miles of the Bexley campus;
• Complete a minimum of 60 credit hours by the start of the following semester;
• Have reached your 22nd birthday prior to the start of the following semester;
• Are married (marriage certificate required);
• Or have an extenuating circumstance for consideration (financial exigency, verification of a chronic health issue or other verified circumstances)

What if I want to live off-campus?
Students wanting to live off-campus should review our residency requirement and complete the housing release request which can be linked from www.capital.edu/housing. Please note students wanting to live off campus must meet one of the criteria listed in the residency requirement.

What do I need to do to live on campus?
Complete the Housing Application. You should complete this form yourself and be as honest as possible, as it asks questions regarding habits and preferences and our office will use this information to match you with a roommate.

What is the deadline to complete the Housing Application?
The priority deadline is June 15, 2021. If you decide you would like to live on campus after June 15, you can still complete the Housing Application and our office will work to find you a place on campus!

Can I change or updated my Housing Application?
If you would like to change the information on your Housing Application, you can do so by logging into the eRezLife student portal using your Capital credentials. This portal can be accessed at http://www.capital.edu/housing/.
**What types of housing are available to first-year students?**
You will live in one of our traditional residence halls: either Lohman Complex or Schaaf Hall. Most rooms in these buildings are double occupancy. Lohman Complex has a small number of triple and quadruple occupancy rooms. Lohman and Schaaf both have communal lounge spaces and communal microwaves. **Please note that we will assign residents into Schaaf Hall first and then move to Lohman. This will be done by the date we receive your completed Housing Intent Form.**

**What amenities are provided in each room?**
All rooms come furnished with a dresser, wardrobe, desk, chair, bedframe and mattress. Schaaf is air-conditioned and Lohman is not.

**What if I want to loft my bed?**
Capital has partnered with Bedloft.com to rent lofts to students who desire them. Lofts will be available to rent in Lohman Complex and Schaaf Hall. Visit Bedloft.com to review pricing and rent a loft for your room. For additional instructions and information, view our Bedloft.com guide at http://www.capital.edu/residence-life/. Students are not permitted to bring their own lofts.

**Can I have a microwave in my room?**
Students living in Schaaf Hall can rent a mini-refrigerator/microwave combo from Bedloft.com. This option is not available in Lohman Complex. Visit Bedloft.com to review pricing and rent this equipment. NO OTHER MICROWAVES are allowed in the residence halls. For additional instructions and information, view our Bedloft.com guide at http://www.capital.edu/residence-life/ (under Incoming Students).

**What should I bring with me? What should I not bring?**
You can review our “What to bring?” information located above in this guide.

**What are some of the benefits of living on campus?**
Living on campus provides you a robust support network and immerses you in the college experience. You have access to Resident Assistants and Area Directors (professional staff members) who can answer questions about Capital and help you with facilities concerns, roommate challenges, or other issues they might face.
**Live Informed: Frequently Asked Questions**

**What are some of the benefits of living on campus?**
You do not have to worry about facilities upkeep, utilities, or other responsibilities you might encounter living off campus. This ensures that you can devote the most time and energy to your academic experience. Finally, living on campus means living connected! You have the opportunity to live with other members of the #CapFam and establish lifelong friendships.

**What if I find a roommate that I would like to live with?**
That’s great! Once you and your roommate(s) have completed the Housing Intent Form, you will be able to setup a roommate group, using the instructions listed earlier in this document. Please note, you must be in a roommate group to be placed with your desired roommate.

**Do I need to find a roommate?**
No! When you complete your Housing Application, you answer questions regarding your sleep, study, and social habits and will be matched according to your responses.

**What if I want a single room?**
Singles are in short supply and are generally filled by students with accommodation needs. If you need a single, please visit https://www.capital.edu/about-capital/accessibility-services/ to review our accommodations process.

**What if I need a special housing accommodation?**
If you have need for a special housing accommodation, please visit https://www.capital.edu/about-capital/accessibility-services/. If you would like to learn more about or apply for Gender Inclusive Housing you can select this preference on your application or reach out to the Office of Residential & Commuter Life directly at (614) 236-6811 or residencelife@capital.edu.

**What are the room rates? Board rates?**
Room and board rates can be found at http://www.capital.edu/room-and-board-rates/

**Am I required to have a meal plan?**
Yes. All students in their first year on campus are required to participate in the Ultimate Plus meal plan for the entire academic year, regardless of earned credits.
Live Informed: Frequently Asked Questions

When will I receive my housing assignment?
Housing assignments will be sent to your Capital email during the first half of July. It is important to check this email regularly for updates from our office and the University.

What day is move-in?
Move-in day for first-year students is August 21, 2021. If you have extenuating circumstances and need to arrange an alternate move-in date, please visit www.capital.edu/early-arrival.

What if I need to move-in early?
If you have need to move-in early, please visit www.capital.edu/early-arrival

What if I want to change my roommate after assignments are sent?
We encourage you to reach out to your roommate prior to coming to campus. A phone call or a friendly message on social media can go a long way in starting off on the right foot. College is all about meeting new people! Even if it’s not an immediate connection, we encourage you to give it a few weeks before requesting a room change. If you’re not quite sure how to strike up a conversation, ask your RA for guidance on how to connect with each other. If things still don’t work out, contact your Area Director. They can assist you with next steps.

What types of housing are available as a sophomore, junior, and senior?
Sophomores are able to live in Saylor-Ackermann and Cotterman, as well as in our suite-style housing, such as Trinity Suites and College Avenue Residence Hall. These suites have lounging areas and a kitchenette (microwave and mini-refrigerator). Juniors and seniors can live in our variety of house and apartment style housing.
