I would like to use the Deferred Payment Plan (3 equal payments) for the spring 2020 semester. This completed application and 1/3 of my spring Adjusted Tuition Balance Due must be submitted to the Student Accounts Office by Monday, January 6th.

The second and third payments for all programs are due:

Feb. 6th – second payment due
Mar. 6th – final payment due

A late fee of $100 may be assessed for each of these payments if they are not received by their due date.

Please note: Adjusted Tuition Balance Due is the amount of your tuition due after the estimated financial aid on your ebill has been taken into account. Traditional undergraduate and CNAP students are not eligible to use this payment plan.
